Our Quality Policy – **TMC IN TRIM** is committed to the continual improvement of every product, process and service that we deliver. This is driven by our customer-focused philosophy of producing quality products at competitive prices for all of our customers.

**TMC IN TRIM** was formed late in 2005 following successful negotiations that consolidated our operations under the service offerings of **TMC GROUP, INC.** of Troy, Michigan. Visit our corporate web site at [www.TMCINTRIM.COM](http://www.TMCINTRIM.COM)

Originally launched in 1975 as the former - *Automotive Trim Specialists* –this automotive glass and trim repair shop has expanded services which now include:

- Automotive Glass - Chip Repair or Replace
- Classic Auto Restoration - Custom or Original
- Convertible Tops - Glass, Motor, Frames, Hydraulics
- Lease Car Turn in Prep
- Seat Upholstery - Replace or Repair
- Interior Trim - Cuts, Burns, Scuffs - Replace or Repair
- Power Moonroof - Installation or Repair of OEM & Aftermarket

This **TMC IN TRIM** business unit is currently serving a number of industries including Automotive, Military, Furniture, and Aqua Marine with upholstered and assembled trim products.

I would like to discuss how **TMC IN TRIM** may service you and your car club members. In the mean time if you have any questions regarding our services or how we may help you, please feel free to contact me at (734) 285-3747.

Thank you for your time and consideration. I look forward to speaking with you.
